About Tara Dunn

Tara Dunn brings heart and humanity to the table to help you confront challenges. With three decades as a business leader, and as a multi-time entrepreneur and a practicing attorney of nearly 20 years, she knows what it takes to accomplish big goals. She helps you and your team discover how to prioritize connection and build capacity – and apply these expanded skills to top-tier client service and delivery.

Graduate degree in counseling psychology

Three decades of combined experience in building, understanding, and advising companies, including collaborating to launch and build Denver's Great Divide Brewing Company

Nearly 20 years of corporate law practice including a decade in Am Law 100/Big Law, as Vice President and Deputy General Counsel of NYSE-listed international technology company, and as founder of boutique corporate firm, HighMark Law

Advises start-ups to Fortune 100 companies in mergers and acquisitions, private placements, capital markets transactions, credit financings, public company matters, corporate governance, public offerings, as outside general counsel, and in director and liability issues – cited by the Delaware Supreme Court in 2006: *In re the Walt Disney Derivative Litigation*
